Bolgheri Rosso Magnetic

Bolgheri Rosso Magnetic, made from Cabernet Franc grapes of the oldest piece of land, grew in our historical vineyard on the Bolgherese way and it represents our modern interpretation of wine history.

Magnetic is aged in cocchiopesto amphora and represents the varietal character, the purity and the essence of this wine variety which finds in the Bolgheri area one of its highest expression. In our perspective we want to reinterpret the present harking back to the past.

Donne Fittipaldi Bolgheri Rosso Magnetic
